

1956 KAT

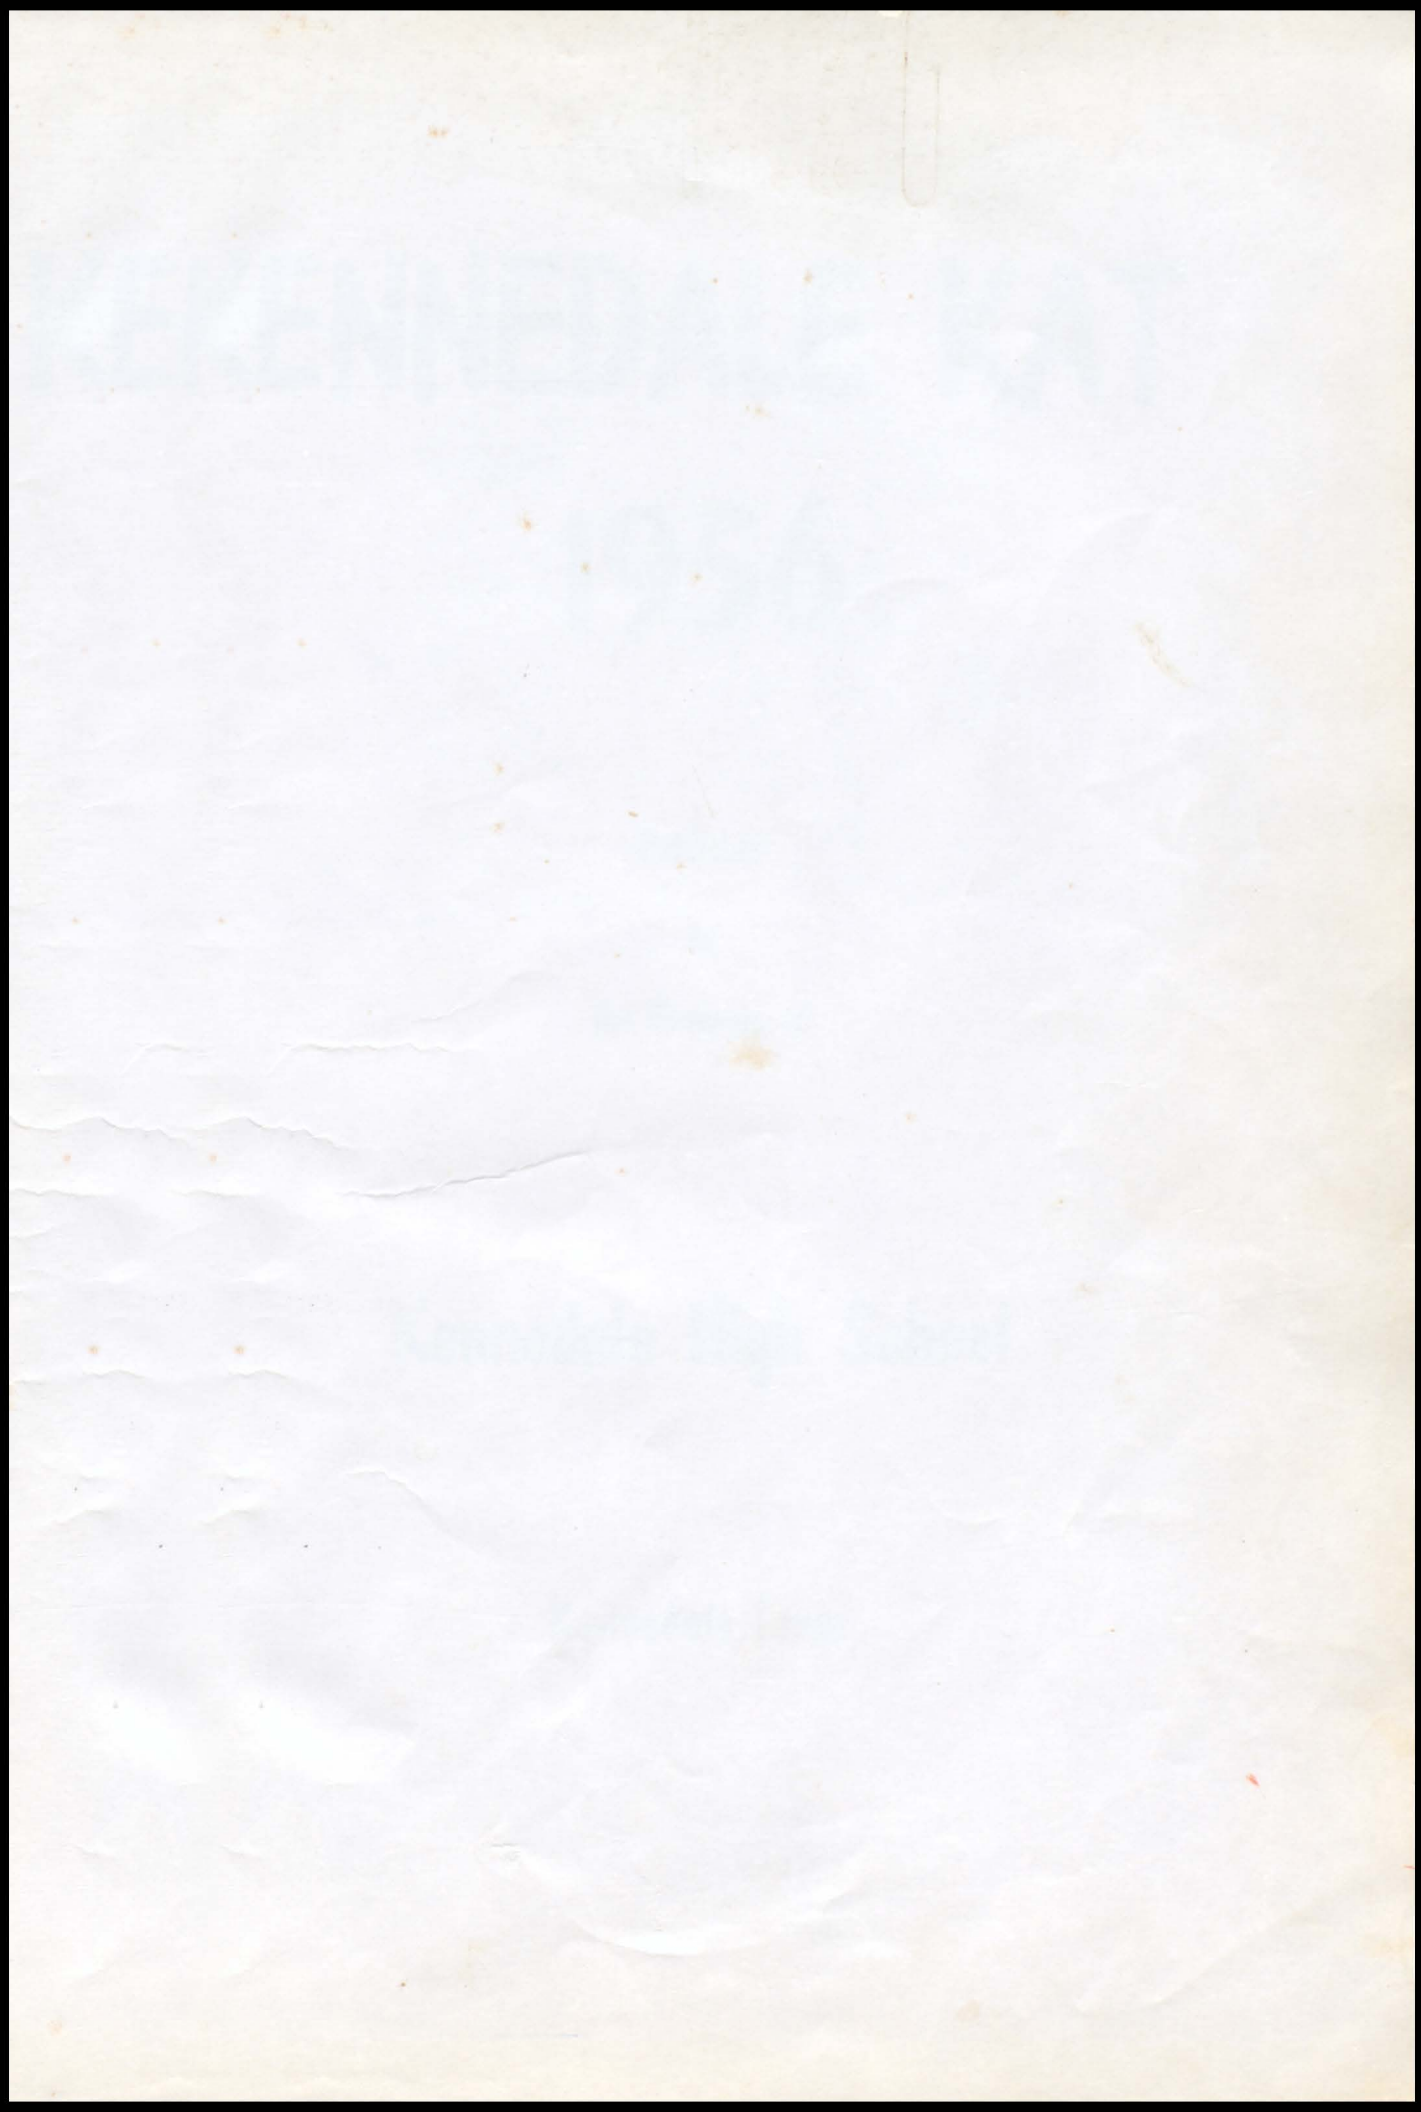

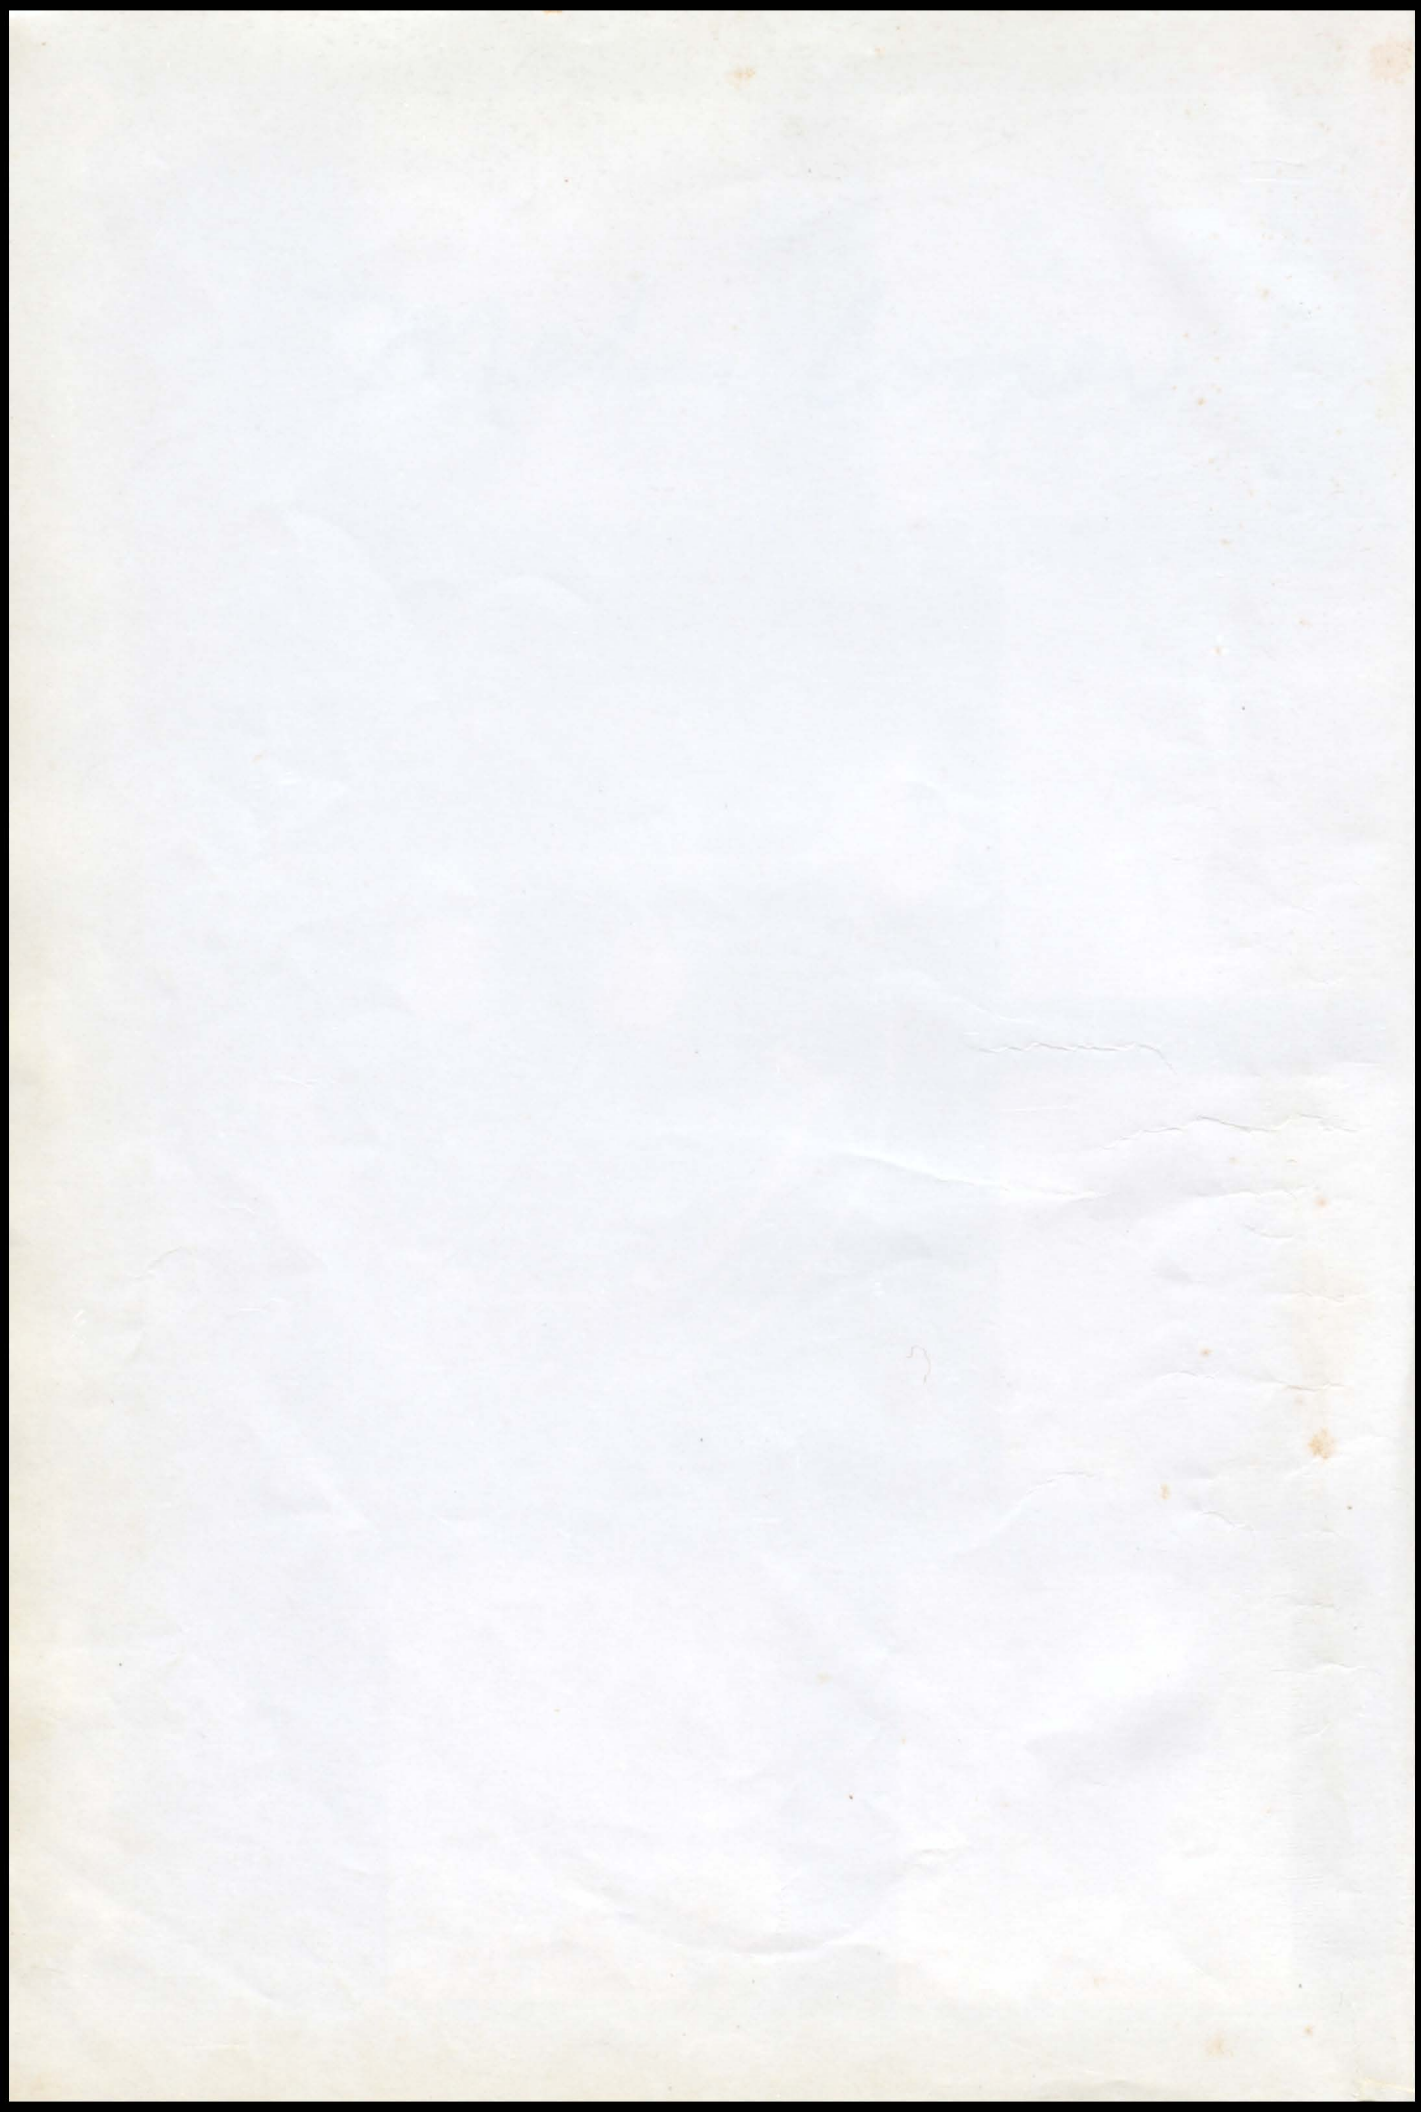

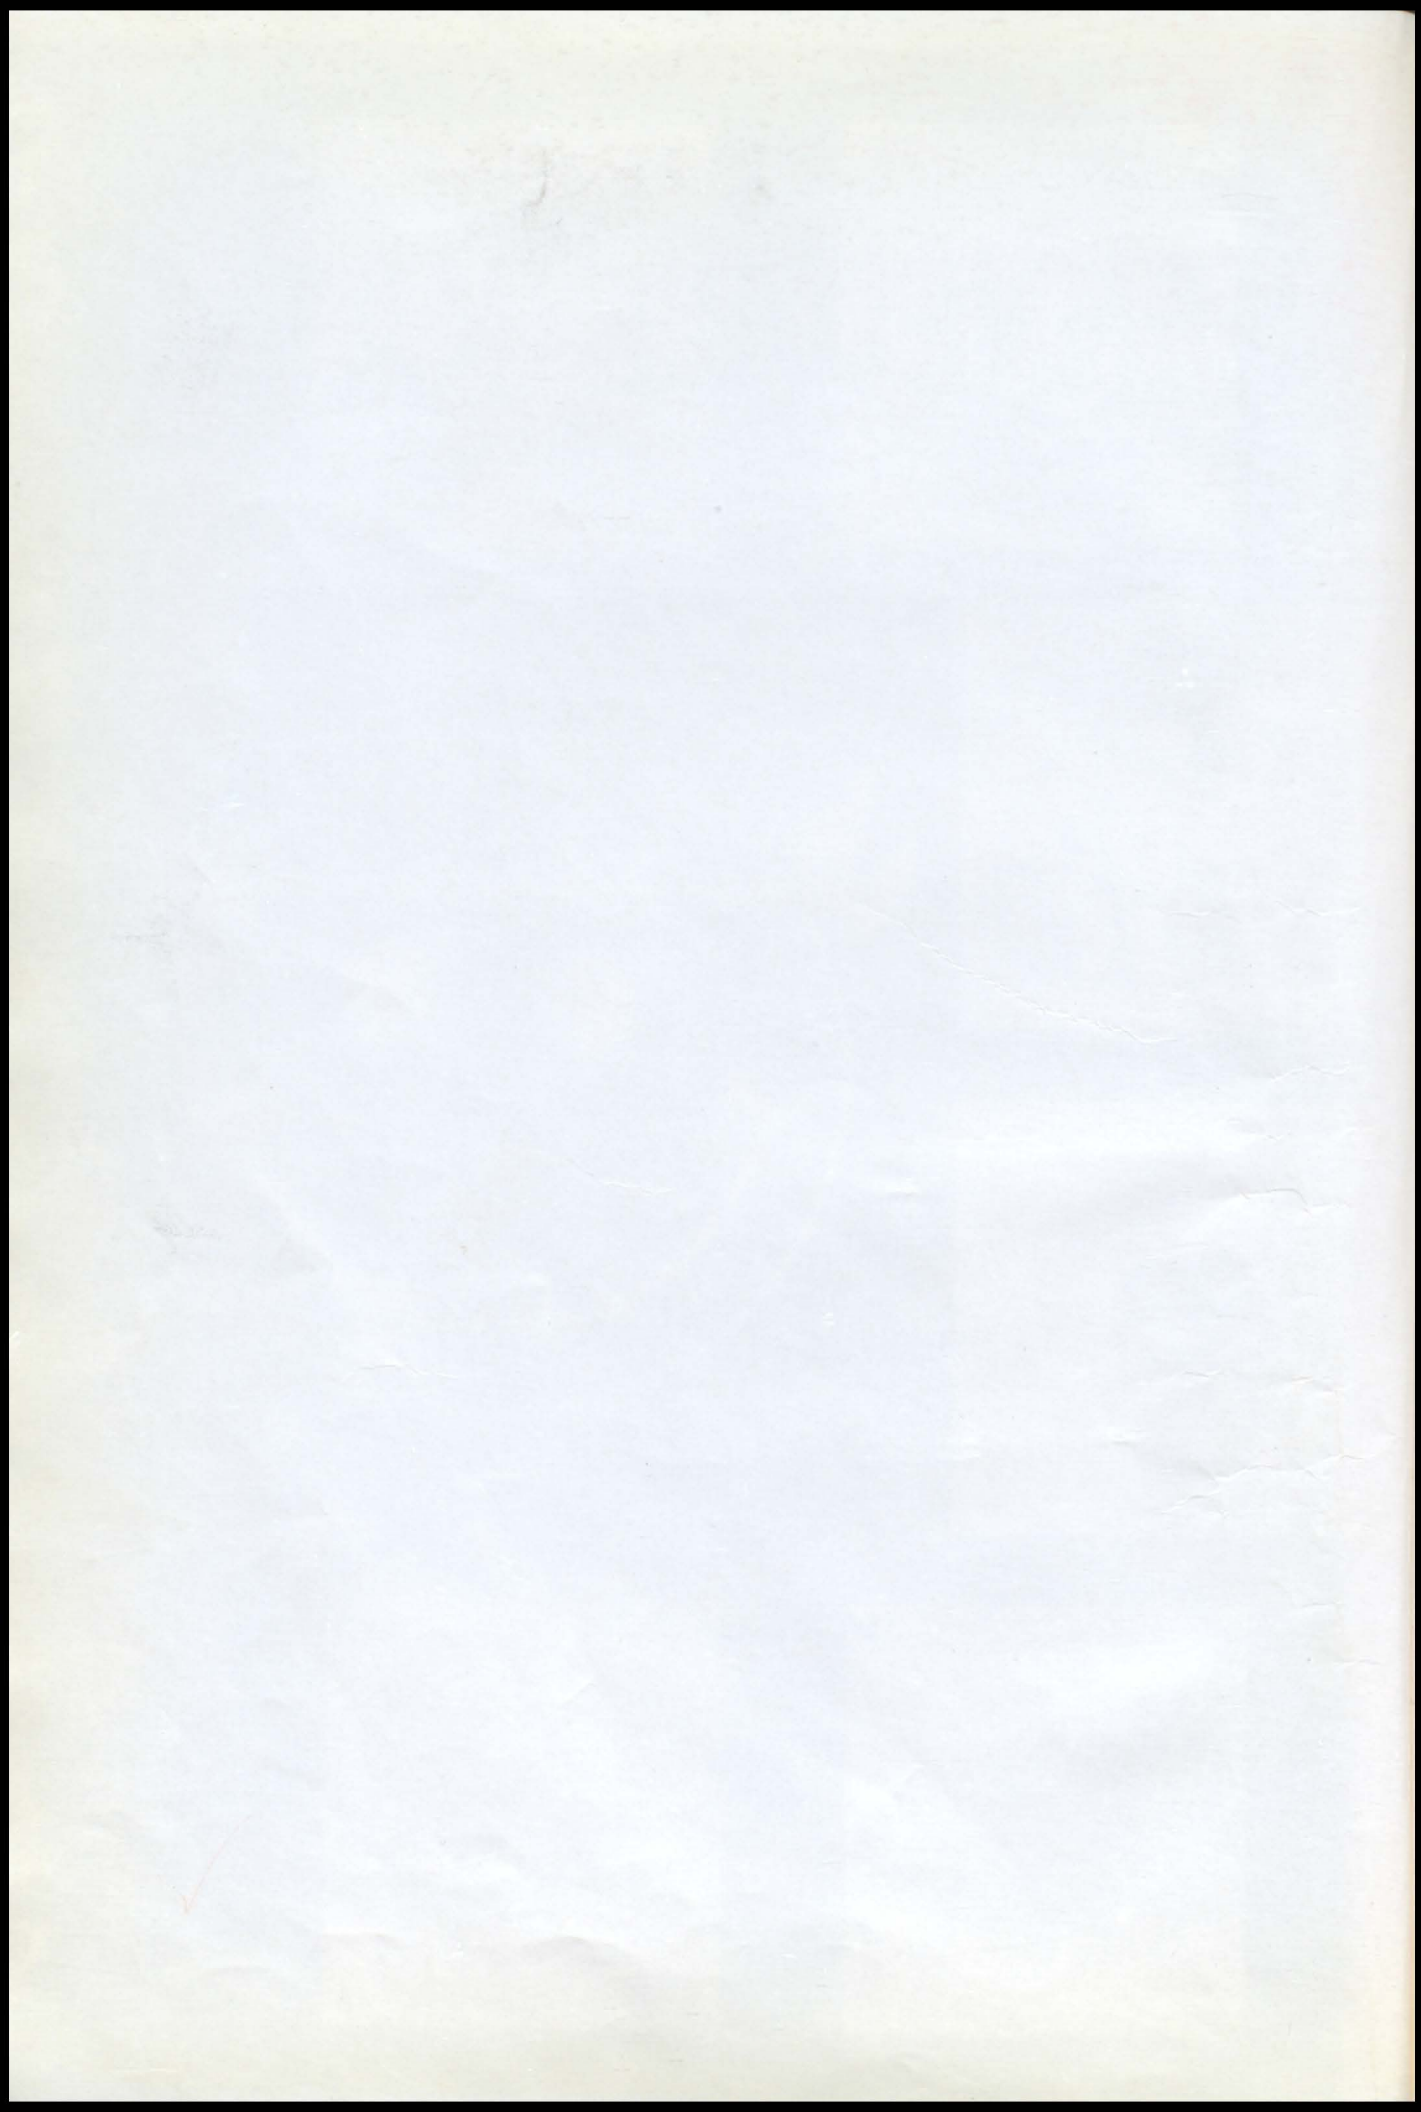

# KENNEDALE KAT

## 1956

Published  
by  
the Students of

Kennedale High School

Kennedale, Texas

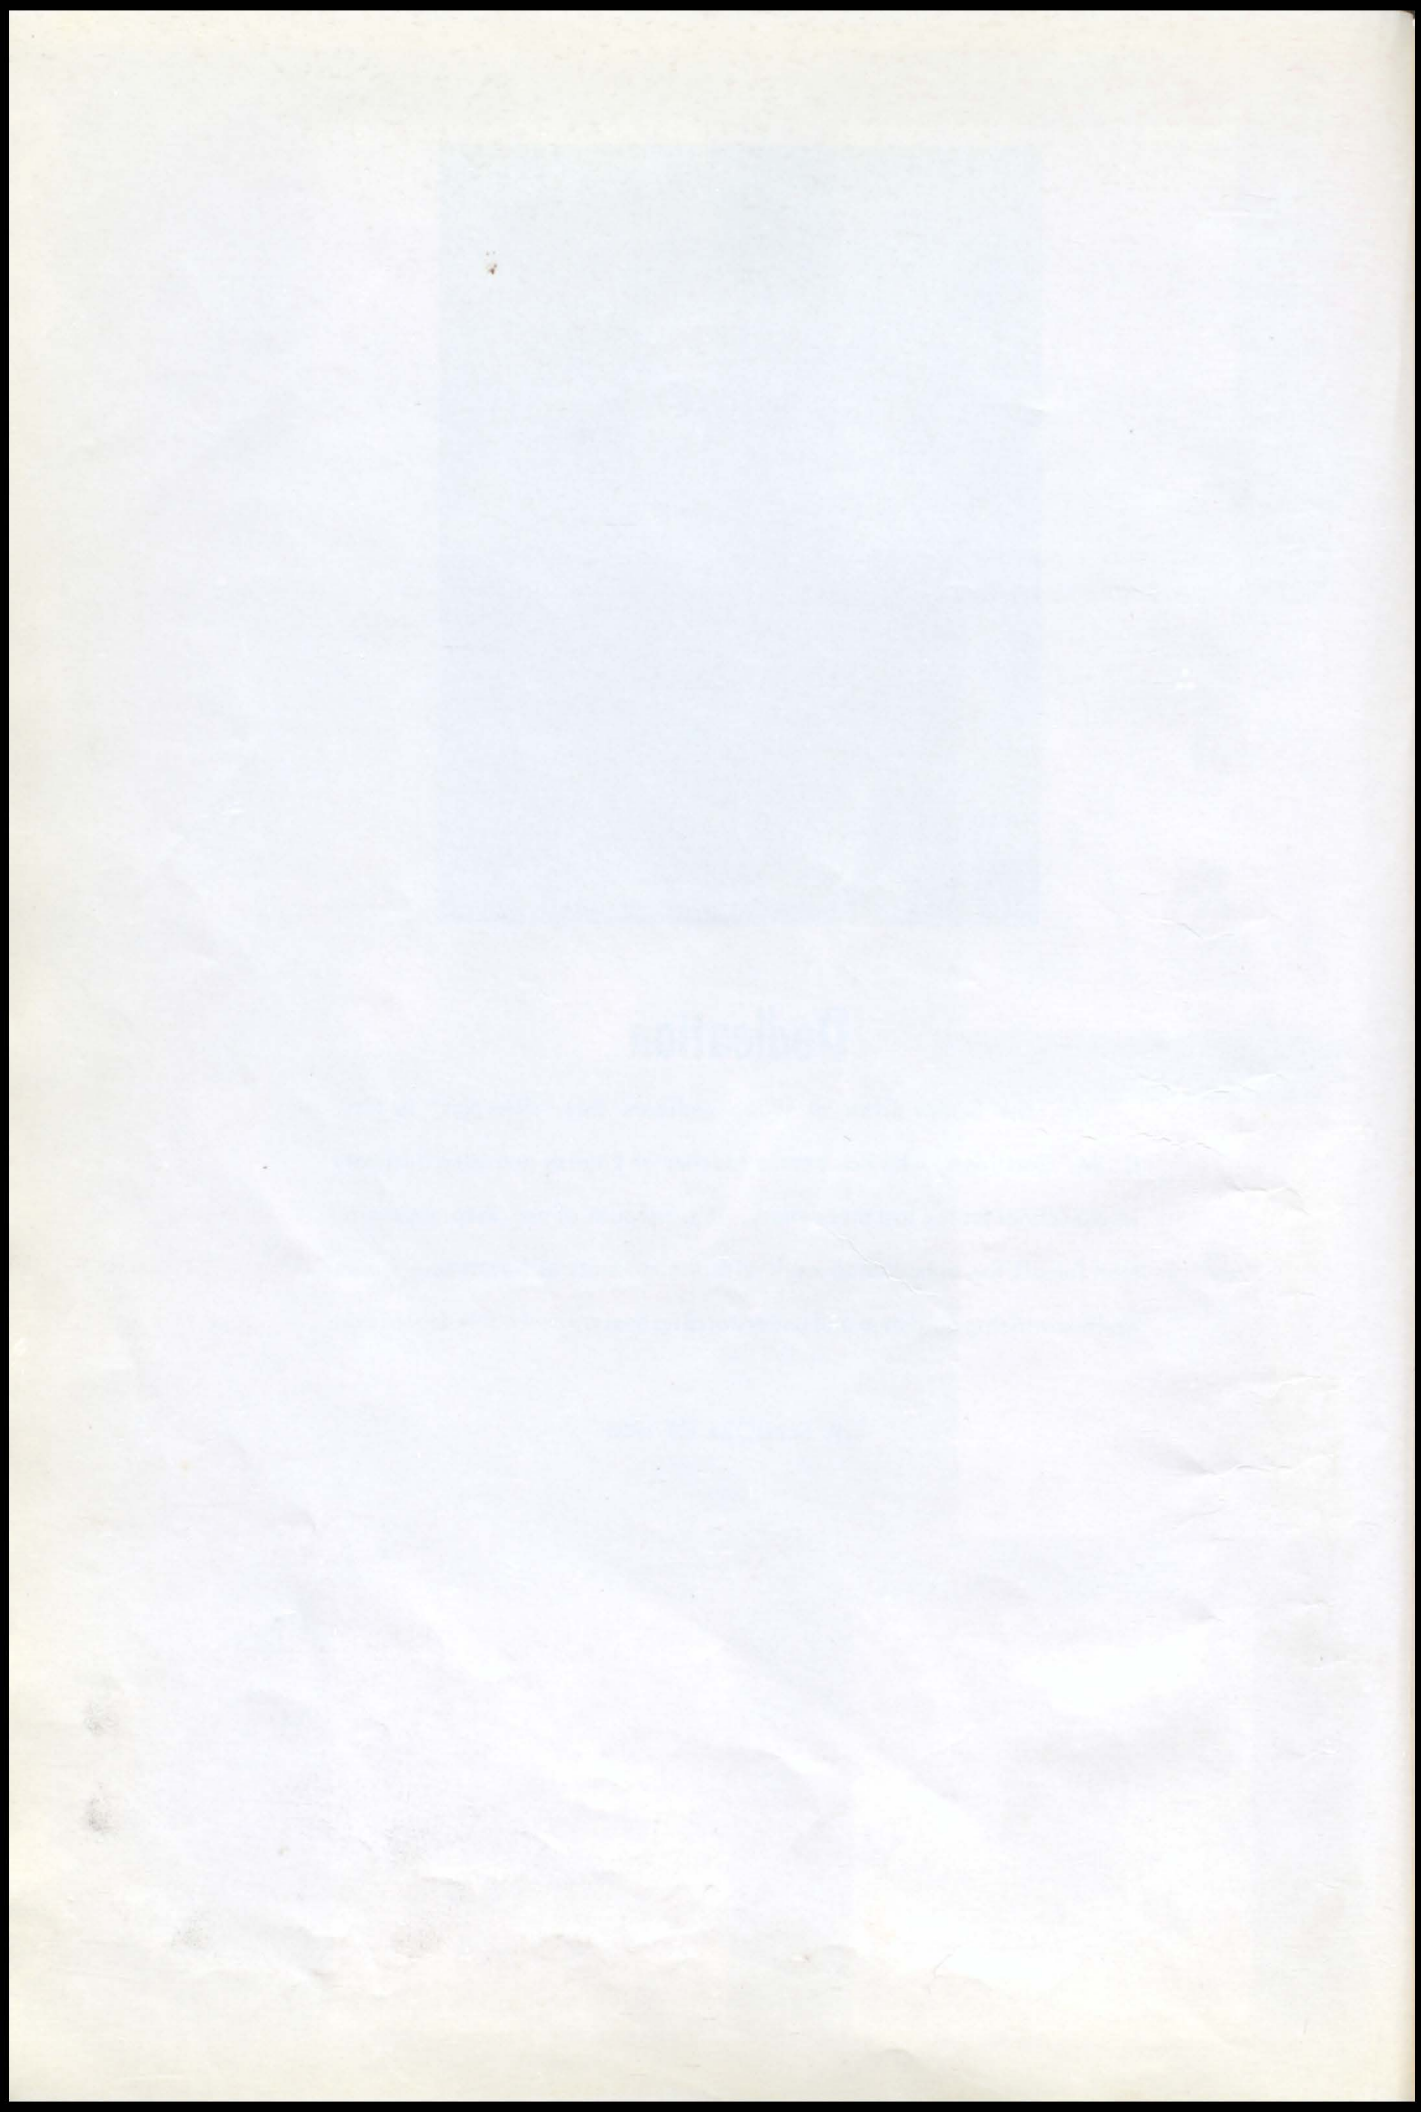

## Dedication

We, the Senior Class of 1956, dedicate this "1956 Kat" to Mrs. C. M. Cartlidge, who has been a teacher of English and World History in our school for the last three years. It is because of our deep appreciation for all the outstanding work with the students at Kennedale School and her untiring guidance and understanding that we make this dedication.

THE SENIORS OF 1956

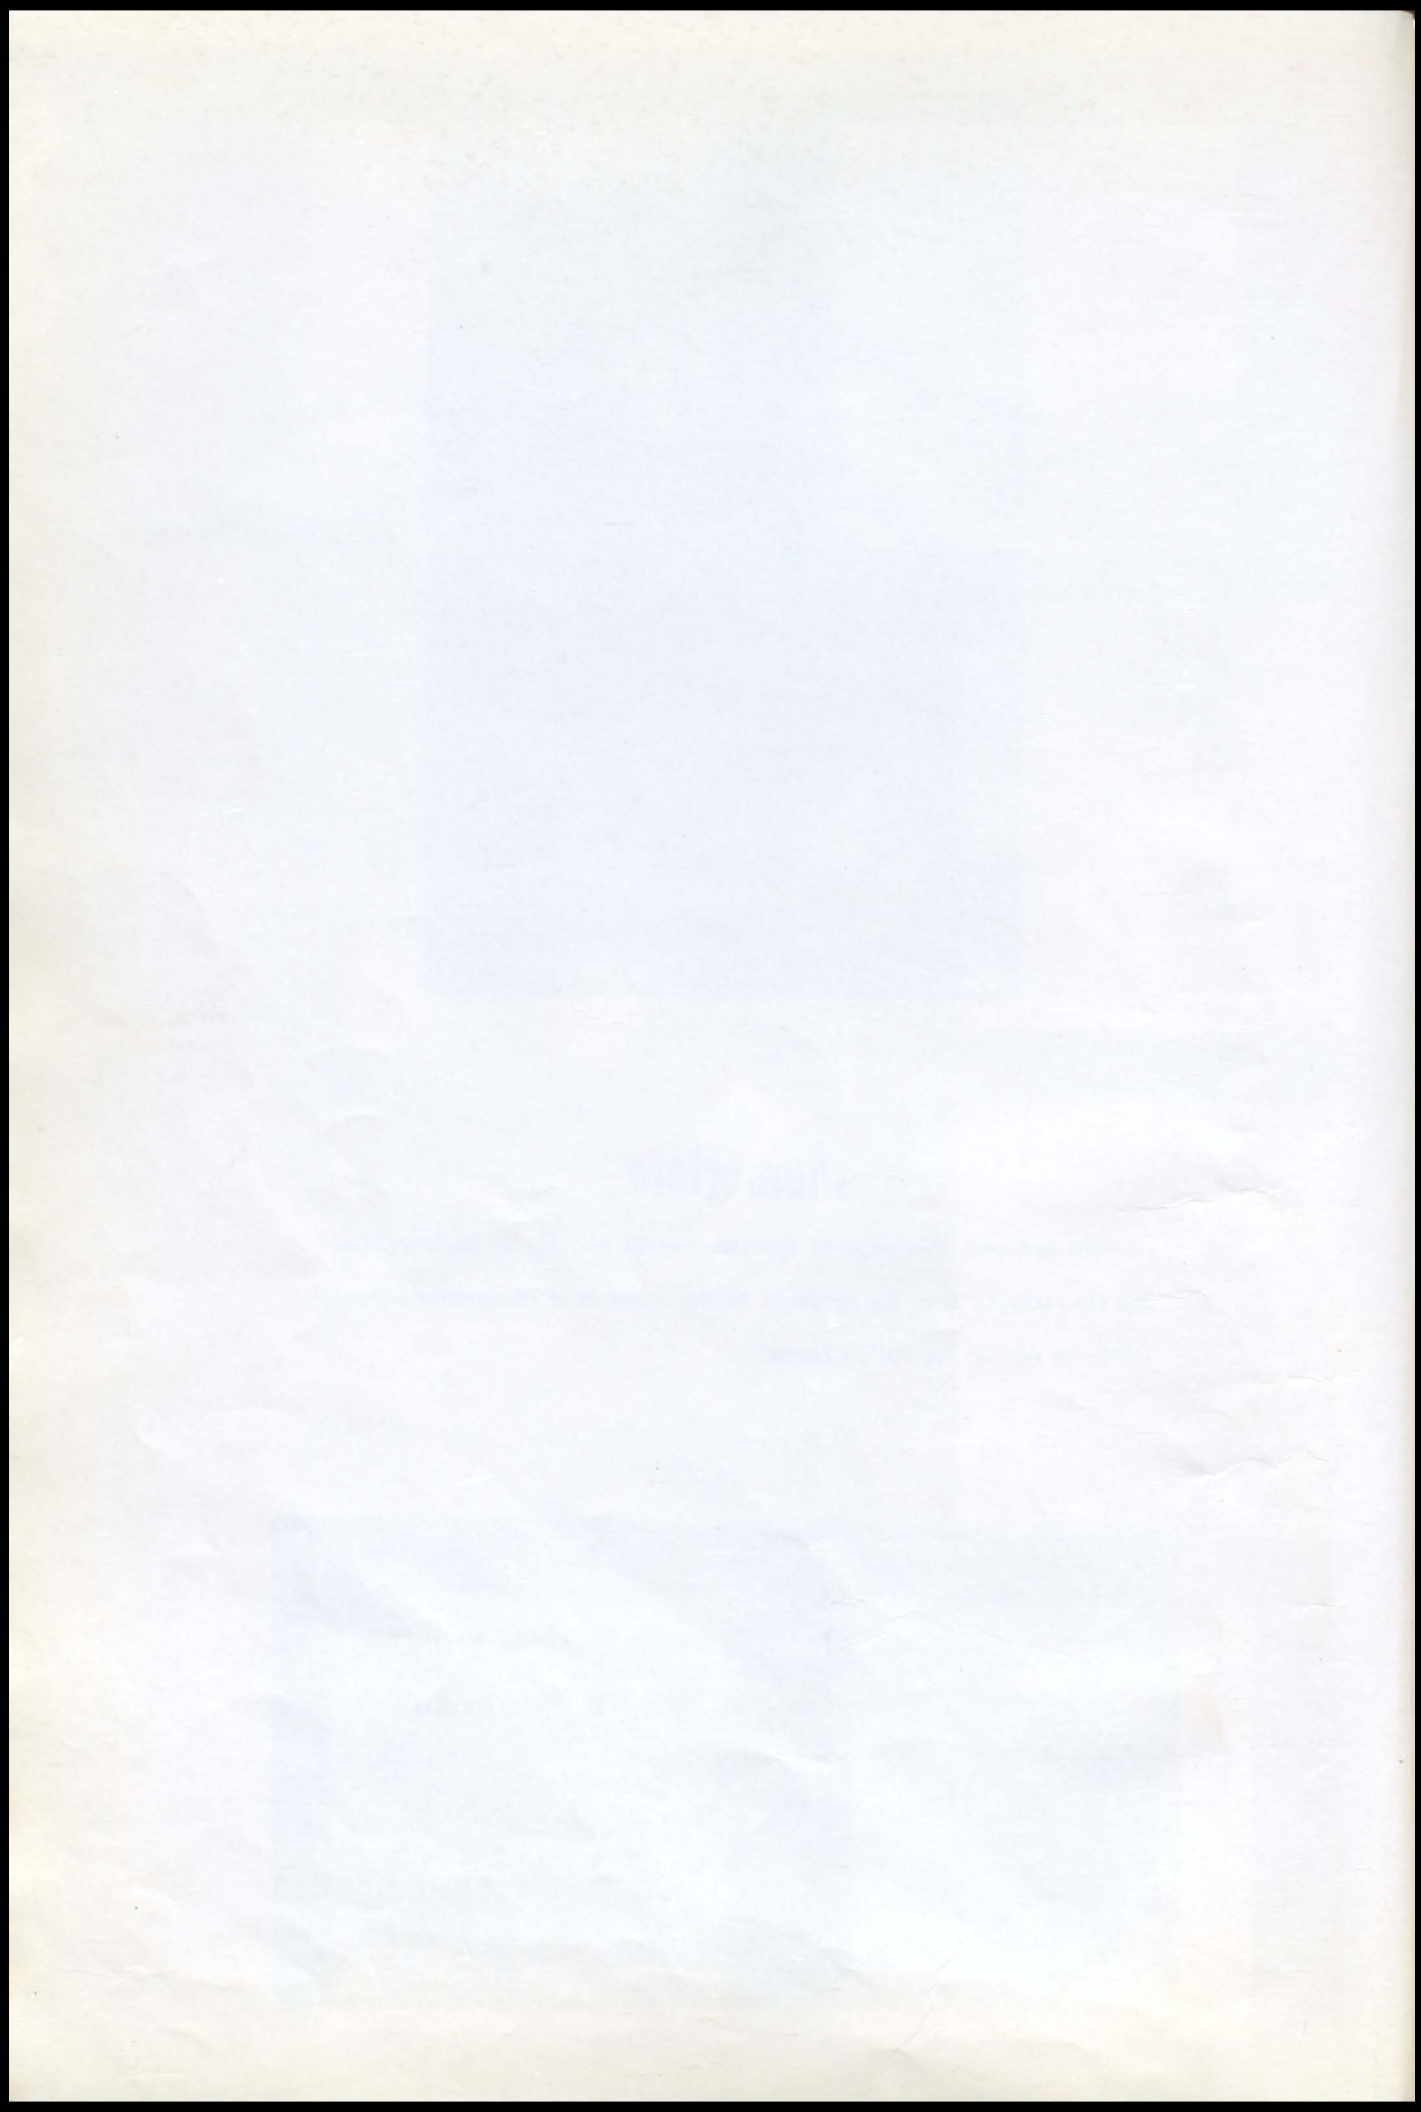

## Memoriam

We dedicate this page to the memory of Mr. H. J. Rankey. For the fine service that he rendered to the Students of Kennedale School while he was on the Police Force.

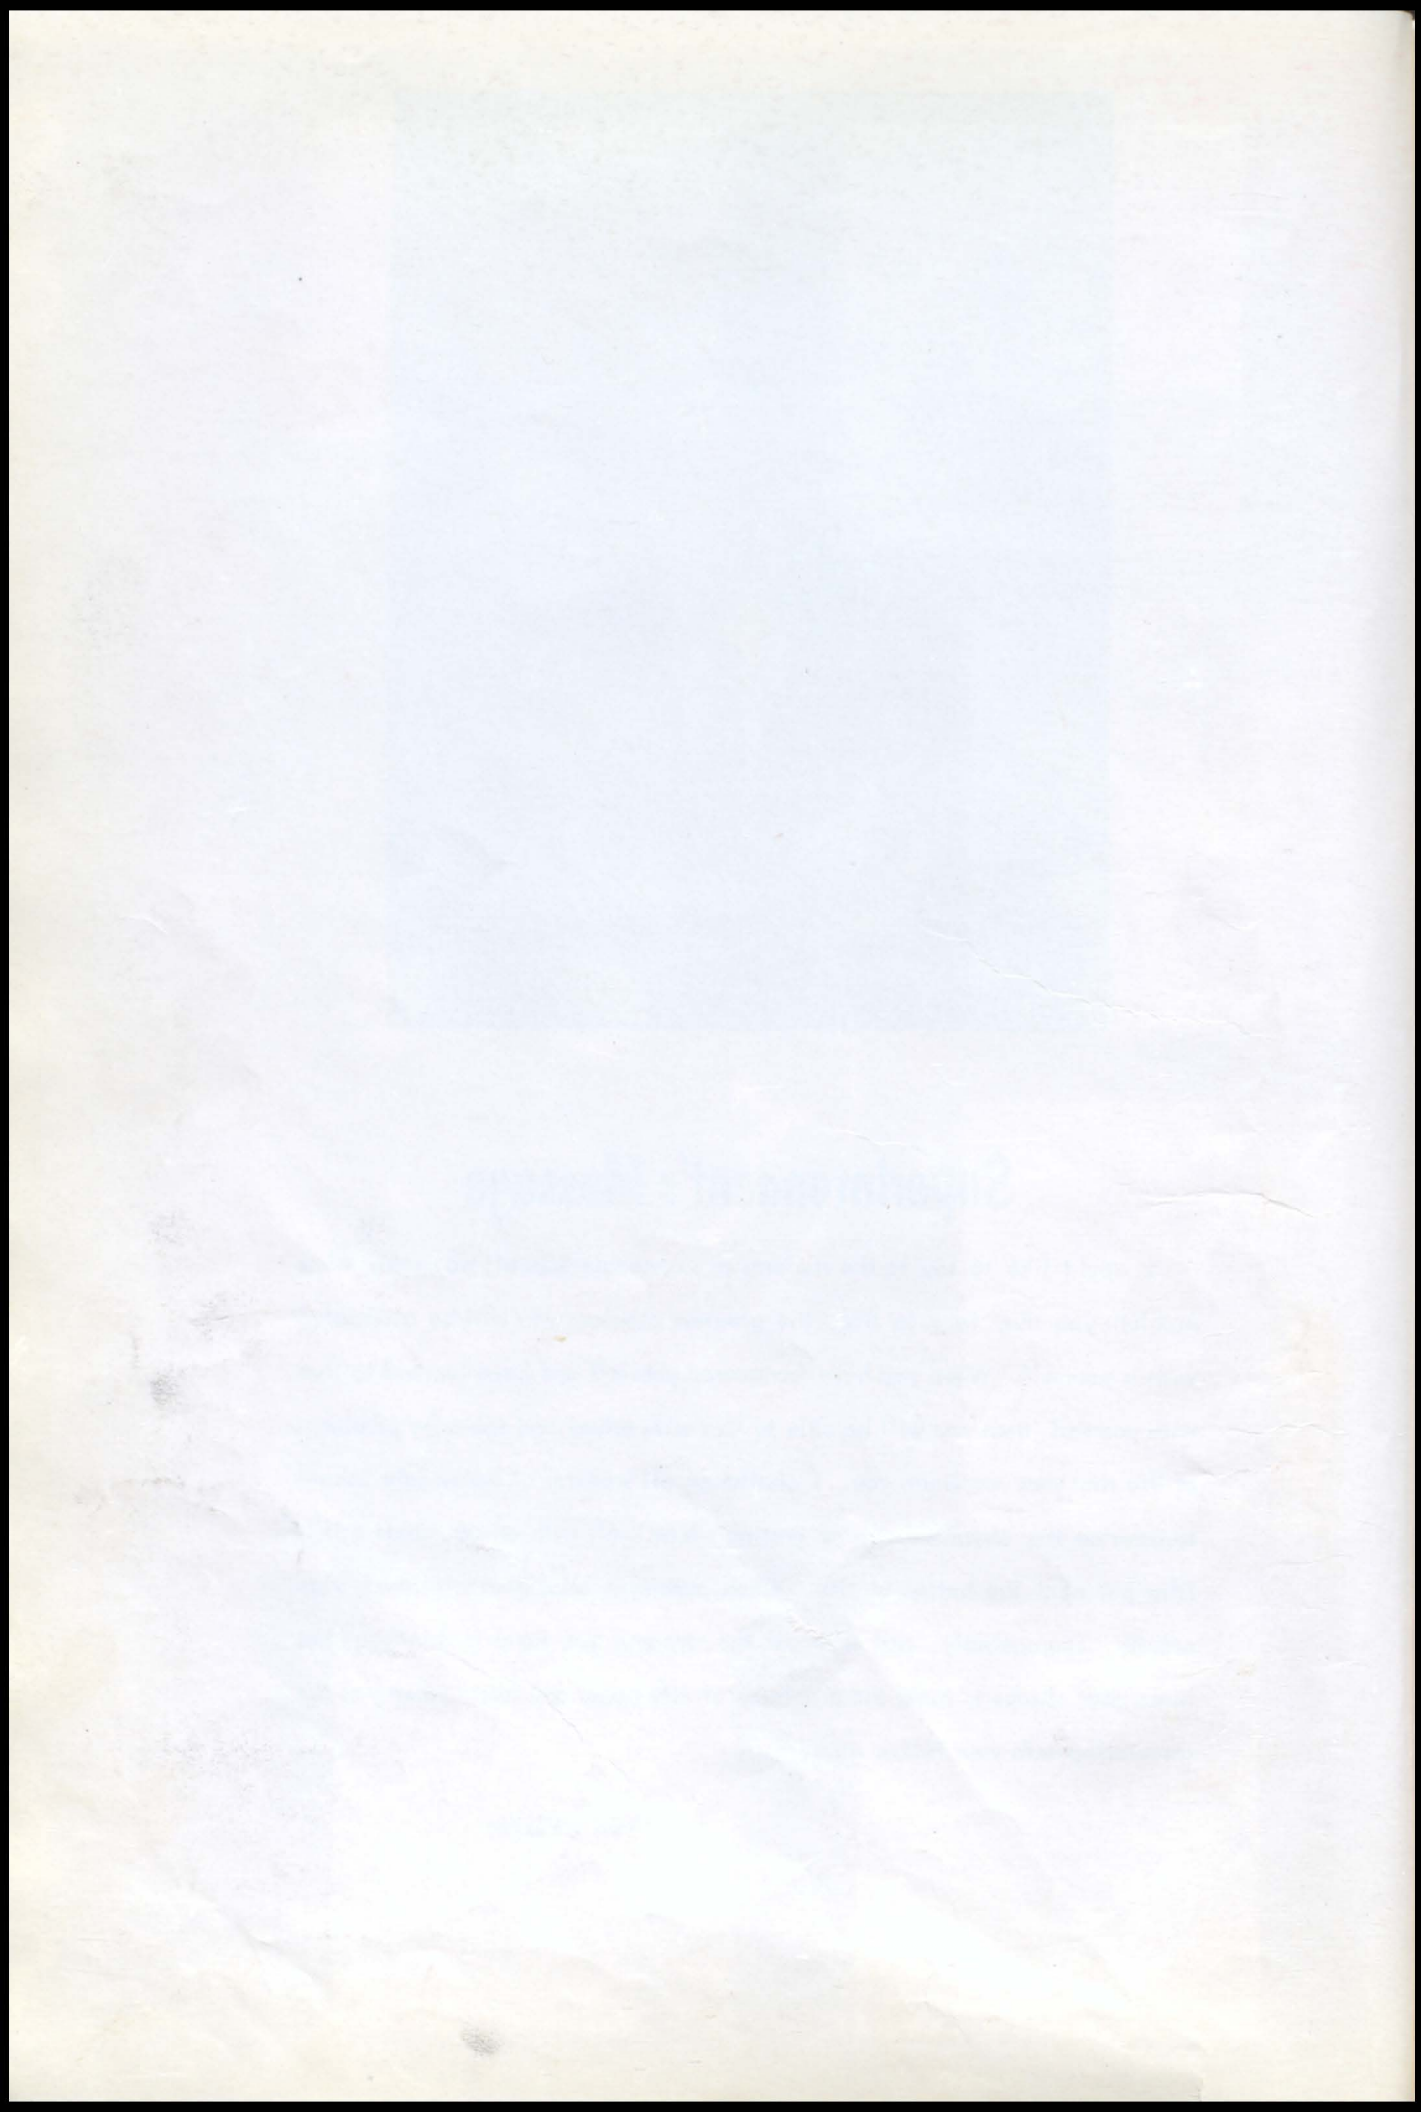

## Superintendent's Message

I would like to say to the students of Kennedale School, no matter what problem you may face in life, the greatest problem you will be confronted with is yourself. When you have conquered yourself and have learned to live with yourself, then you will be able to live with others and solve the problems of life that may confront you. I challenge all students of Kennedale School to develop the characteristic of getting along well with others, since this is fifty per cent the battle of life. When problems arise deal with them vigorously, courageously, and with all the strength you have within you, but remember always to meet the problems of life nobly and fairly when you are associating with your fellow man.

# Class Prophecy

In the year of 1971 we, the Senior Class of 1956, return to our beloved Alma Mater.

We find the Mayor, Roy Hale, welcoming the Governor, Arlie Stanley, his wife and twelve kids.

Alvin Brown, the handsome movie star, arrives in his Model A Ford.

Then we see Pauline Fenoglio (she married an oil tycoon) arriving with Janelle Cappers (an old maid).

Paul Schrick, the President, arrives in his new jet.

Lee Yates, a car designer, arrives in his own model of a 1999 Thunderbird.

Off in a distance we see Joe Conlin, big ranch owner, riding his own breed of longhorn.

Then out of the sky we see Buddy Savage coming in his super-sonic hot-rod.

We all looked up and saw Don Hamrick and Obbie Winsett chasing Buddy Savage in the Kennedale Squad Car.

When we passed the Cosden Station we saw Paul Lansford working on Philip Miller's 1979 Ford Convertible.

In the meantime we see Glynn Roberts fighting his chickens in a derby and Lynda Roberts takes in all the money he wins.

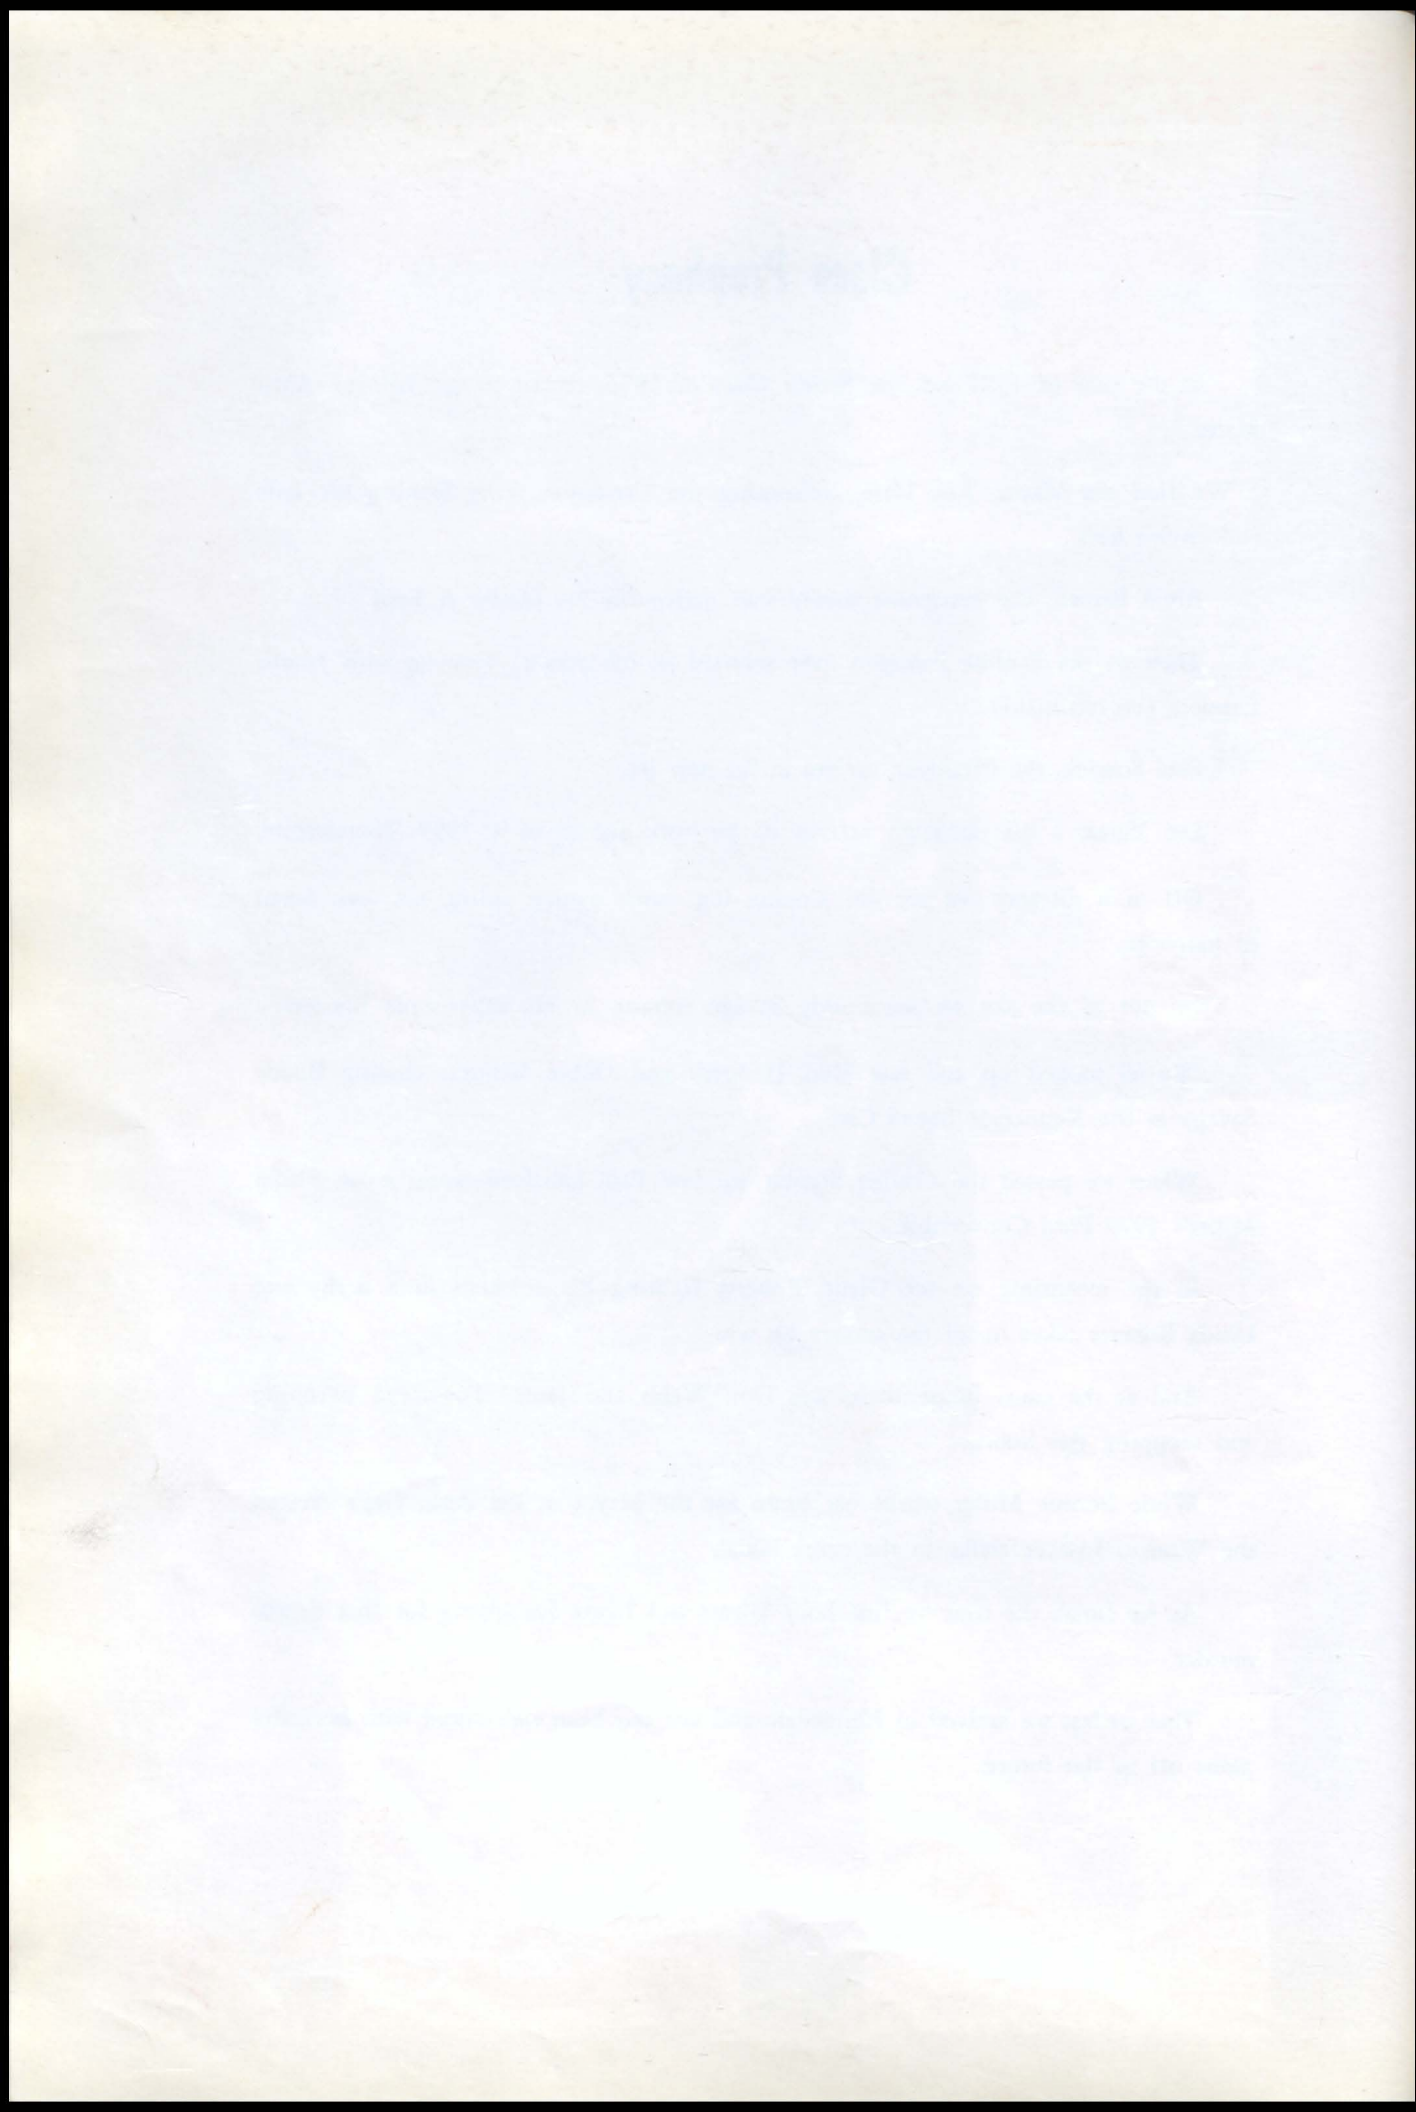

And at the court house there was Don Webb and James Townsend sweeping and mopping the floors.

While Bonnie Miller works her brain for the Mayor at her desk, Gaye Preston the Woman Lawyer walks in the court house.

As we finish the trial we fine Lucy Wyatt and Marie Daugherty for first degree murder.

Then at last we arrived in Kennedale and saw our poor old school with beautiful plans off in the future.

## Last Will and Testament

We, the Senior Class of 1956 being declared of unsound and insane minds do hereby bequeath the following to the Junior Class.

I, Alvin Brown, will my ability to go to the cafe during shop to Wilbur Stanley.

I, Janelle Cappers, will my lady-like ways to Janice.

I, Joe Conlin, will my fleetfooted speed to Patsy Gillaspia so she can catch Jimmy Dunn.

I, Marie Daugherty, will my ability to play hookey to Mathilda Pittman.

I, Pauline Fenoglio, will my beautiful House of Nine wardrobe to Carolyn Hamrick.

I, Roy Hale, will my ability to get along with Mr. Roark to all the boys in shop.

I, Don Hamrick, will my old chewing gum under my old desk to Susie, Carolyn, Janice, and Jeanette.

I, Paul Lansford, will my ability to tell the truth no matter what to Teddy Patterson.

I, Bonnie Miller, will my ability to play basketball at Brewer to Carolyn Hamrick.

I, Philip Miller, will my crooning ability to Clinton Yates.

I, Gaye Preston, will my powerful right hand to Dorothea McKnight.

I, Glynn Roberts, will my ability to loaf in class to Dorman Lawrence.

I, Lynda Roberts, will my Hollywood figure to Wanda Daugherty.

I, Buddy Savage, will my ability for scientific thinking and speaking to Kail McDavid.

I, Paul Schrick, do not will anything to anyone because I need it.

I, Arlie Stanley, will my ear stoppers to use in Coach's class to Charles Knotts.

I, James Townsend, will my super worn out broom to Donnie Gilstrap and Wayne Loflin.

I, Don Webb, will my ability to lay down on the job to Ferrell.

I, Obbie Winsett, will my steel heeled shoes to Jackie Sudduth.

I, Lucy Wyatt, will my ability for anything to anybody who wants it.

I, Lee Yates, will my ability to break my arm to Butch Evans.

***FASTER than a jet!***

Electricity comes to you with the speed of light — thousands of times faster than the fastest jet!

When you flip a switch, electricity is made and delivered in a split second. It can't be stored, but must be made and used at the same time.

For this reason, we must be ready at all times with enough power capacity to supply the total needs of our customers — instantly!

We constantly are planning ahead and building ahead to assure you plenty of dependable, low-cost electric service for the future as well as the present.

● Almost a quarter of a century has passed since USECO published its first school annual. As we review those pages of yesteryear, a pleasant thought comes to mind—on some tomorrow this, the nineteen hundred and fifty-six edition, will take its place in your heart as a pictorial history of the "good ole' days."

We know this book will increase in value with the passing of each year, and are honored to have played a part in recording it.
